Gift bag instructions

What you need:

Your Epson printer
Epson genuine ink
Good quality A4 paper
Scissors
Glue or adhesive tape
A stapler
Optional: tissue paper & ribbon

Instructions:

1. Ideally, print on stiff paper.
2. Cut out the templates for the gift bag and fold the marked edges.
3. Stick the edges together.
4. Cut out the sign for the lettering and label it as you wish.
5. Stick or staple the labelled sign on the gift bag.

Optional: Insert tissue paper into the gift bags, if necessary glue them to the sides of the gift bag and tie them at the ends with gift ribbon. (Pssst.. do not forget to fill them with gifts!)
